- As of early September, the Canton branch of the Colored Metals Administration of the Ministry of Heavy Industry had 48 administrative stations from which personnel were dispatched to inspect tungsten mines in Kwangtung. Occasionally Soviet as well as Chinese personnel inspect the mines. The administrative stations offer high prices for the ore.
- In mid-August, the Communications Department of the Kwangtung Government established a Kwangtung Civilian Shipping Joint Transportation Office. The new office was to attempt to monopolize and control the transportation of native products in Kwangtung. The main office of the new organization was at 127 South T'ai-p'ing Road, Canton, and was under the direction of SHU Kuang (述光). Branch offices were at Chaoch'ing (112-29, 23-04), Chiangmen, Swatow, Shihch'i, Ch'uchiang (113-33, 24-50), Huiyang (114-26, 23-05), Chen-chiang (112-20, 21-12), and Haik'ou.
